Dear candidate,

Thank you for expressing an interest in this position. It is an exciting time at The Reach Free School, as we build upon the significant strengths identified in our February 2019 Ofsted report. Attracting the very best staff is the most effective way to grow and it is important for us as we enter a new chapter in the history of the school.

In the Summer of 2019, we celebrated our second strong set of GCSE results and we are now firmly established in our permanent school ensuring that future generations of pupils have access to modern educational facilities right in the heart of their community.

Alongside this, we continue to ensure that our pupils are making excellent progress, putting them on course for strong GCSE results at the end of year 11. Our Sixth Form opened in September 2018 and we look forward to supporting those individuals as they progress through post 16 education.

If you have the passion to contribute to our unique school, then we look forward to receiving your application.

Richard Booth  
Headteacher

## **The School**

The Reach Free School is an 11 to 18 school in Rickmansworth, which serves pupils of all backgrounds and abilities. Opened in September 2013, the school was founded by a group of teachers and local parents in response to a significant demand for more secondary school places in the area.

All involved with the school have high aspirations for our pupils and high expectations of them. As such we expect all pupils to:

- Commit their best efforts to all that they do
- Support each other to achieve their potential
- Work with their teachers to exceed their goals
- Demonstrate exemplary behaviour in all that they do
- Take pride in their school and its community within its walls and beyond
- Enjoy learning

The Reach Free School plays an active role in the community, working with local businesses, supporting local events and providing a hub for local services. Pupils are very much involved in the school's wider responsibilities, developing skills in leadership and decision making, communication and collaboration and independent, self led learning.

A sense of purpose and responsibility pervades lessons and activities at The Reach Free School and it is important that our pupils recognise their own responsibilities as members of the community. It is this that underpins The Reach Free School's ethos; Achievement, Community, Enjoyment – ACE.

## The Ethos of the School

The Reach Free School's ethos and curriculum is designed, first and foremost to meet the needs of the young people in the local area. The core of our ethos is to personalise the education of every pupil in order for them to maximise their potential and realise their dreams and aspirations.

We believe in the following principles:

**Achievement** – Realised through recognising the individual needs of every learner

**Community** – Embracing, utilising and supporting the local community for the benefit of all learners and building partnerships to support teaching and learning

**Enjoyment** – A commitment to innovative practice and the application of technology to develop enthusiasm for learning

## Features of The Reach Free School

**A Smaller School** – With 120 pupils in each year, The Reach Free School will remain a close-knit environment, even when full. This will ensure a strong sense of community within the school.

**New modern facilities** - In September 2018 the school moved to its £19 million new home with modern first class facilities throughout.

**'Outstanding' Judgements** - In February 2019 the school was inspected by Ofsted and received outstanding judgements for the 'Effectiveness of leadership and management' and 'Personal development, behaviour and welfare'. There were many strengths of the school identified in the inspection, not least the "excellent relationships between staff and pupils..." and "behaviour around the school is exemplary".

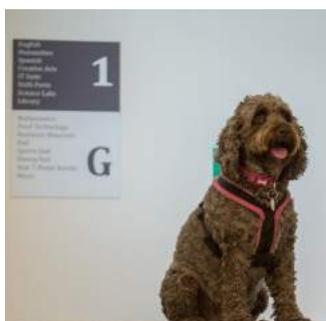

**Transition** – Each of the four classes in Year 7 benefit from their own Home Room and a dedicated Assistant Teacher for the first year. This Assistant Teacher is the form tutor for this class, and supports learning in a range of subjects for their pupils. Together these ease the transition from primary to secondary school for the children and helps us to understand each child as an individual.

**Focus on English and Mathematics** – The school specialises in English and Mathematics, the building blocks for success in other subjects. Literacy and mathematics pervade teaching and learning at the school and all teachers play a role in developing pupils' skills in these areas.

**Community Common Room** – Once a week, all pupils work in groups towards a shared goal for the local community. Working together on a community project develops our pupils as creative, confident and proactive individuals.

**Technology Rich** – All pupils and teachers at The Reach Free School are encouraged to utilise the latest technology to learn and teach in innovative and creative ways.

**School Dog** – We are fortunate to have Scout, our school dog, with us every day. She supports pupils with their reading and is a friendly face for all pupils, staff, and visitors.

- Be passionate about their subject area, and learning as a lifelong skill
